CERTIFICATE

OF CONTRIBUTION

This certificate is presented to

Rodrigo Pacini

For voluntary contributions to public educational initiatives through blockchain governance research, documentation, and content creation under the Agora project, supporting decentralized decision-making in the Cardano ecosystem, advancing transparency, civic literacy, and accessible knowledge on blockchain governance. The contributions were made between December 2023 and July 2025, totaling 265 hours of voluntary service.

Rodrigo Pacini

Founder & Lead Researcher at Agora

Certificate No. AG-2025-001
